### TAFTVILLE

A very pretty wedding took place  
at the Second Baptist church  
Wednesday morning at 10 o'clock, when  
Patricia Chagnon married Miss Cor-  
nellie Miller and Augustus Fournier.  
Miss Jones, sister of the bride,  
was bridesmaid and Fred Bellevue, a  
friend of the groom was best man.

The bride was prettily attired in  
a gown of white georgette crepe with  
train and carried bridal roses. The  
bridesmaid wore a gown of light blue  
georgette with hat to match, and car-  
ried red roses.

Following the ceremony at the  
church there was a reception at the  
home of the bride on Front street and  
many friends of the couple were pre-  
sent. Many beautiful gifts were re-  
ceived by the bride, Mr. and Mrs.  
Fournier left the village on the 2:30  
train for New York after a short  
stay here and in New Bedford, Mass.,  
the couple will return and make their  
home at the Chagnon home.

The bride is the daughter of Gus-  
tave Fournier and was born in Woon-  
socket, but has lived in the village for  
the past few years. The groom is the  
son of Henry and Rosanna Turcotte,  
residents of 207 Central avenue,  
Norwich.

Following the ceremony by the  
pastor, the bride and groom were  
conducted to the altar by the bride's  
father. The wedding was a simple  
one, but very pretty.

## SIX BURGLARIES IN TAFTVILLE

Norwich, Thursday, Sept. 11, 1919

Some time during the early morning  
hours of Tuesday burglars entered six  
places of business on Norwich avenue  
in the vicinity of Taft station and  
secured cash amounting to \$30, small  
amounts being taken from each place,  
together with merchandise the value of  
which will amount to a good deal  
more.

The largest amount was taken from  
the barber shop of Clement Joubert,  
where the burglars secured \$15 in cash  
and a good amount of stock. At Bal-  
win's store about 50 cents in change  
was taken, while at the barber shop of  
Hugh P. Copeland only 25 cents was  
secured. At the waiting room at Taft  
station the robbers took \$4 in cash and  
some merchandise, and from Joseph  
Ritchie's place of business about \$5 in  
pennies was taken from the hiding  
place in which Mr. Ritchie had placed  
them the night before. This shows  
that in all probability those who com-  
mitted the crime were familiar with the  
habits of the proprietor. The Pen-  
nomah Wheel club was entered, but  
after forcing open a desk the burglars

### YALE LAW SCHOOL TO RECEIVE WOMEN STUDENTS

Three Yale women have either been  
made or are being carried out by the  
Yale Law School. It has just finished  
the first summer term in its history.  
It will open its doors to women stu-  
dents who are graduates of recog-  
nized colleges and is planning for  
a dormitory and dining hall system  
of its own.

Alumni have pledged more than  
\$100,000 toward the expansion of the  
department of the university along  
this material line. No date has been  
set, however, for the commencement  
of this work.

The action of the corporation, or  
trustee board of the university, in rat-  
ifying the recommendation of the fac-  
ulty of the law school, to admit wom-  
en, placed the law department on the  
same level as the graduate and medi-  
cal schools.

The summer school, which has just  
closed, was attended by about 100  
students, and the law department, whose  
work was interrupted by military  
service.

The new dormitory for the new dormi-  
tory system and new dining hall has  
been undertaken by prominent alum-  
ni and is now being pushed. Charles H.  
Sherrill, formerly of the judicial  
branch of the law school, and alumnus  
association, has been especially ac-  
tive in the movement.

The new dormitory, which is being  
built on the campus, will be a depart-  
mental plant, which shall be entirely  
separate in location from the rest of  
the university, including recitation and  
lecture rooms, dormitories and dining  
hall. Definite plans have not yet been  
given this feature of the movement.

**HOW TO SPEND TO SAVE**

The high cost of living would be  
considerably reduced in some homes  
if strict attention was given to the  
spending of the money. A dollar  
prudently spent will usually buy  
more intrinsic value and more gen-  
eral satisfaction than if invested  
without thought or care.

It has been truly said that many a  
man can earn money, but it is the wis-  
e man who can plan to save money—  
and this saving habit does not  
necessarily mean privation, sacrifice  
or over-economy—Many who save  
also spend liberally for the things  
needed for comfort and for such  
entertainment too as seems reason-  
able.

Thrifty lies in the judicious spend-  
ing of money, in getting a full dol-  
lar's worth for every dollar spent.  
We believe that the woman (or  
man, who buys for the family or  
home) can come direct to this store  
through week to week, month to  
month and season to season and  
buy to the very best advantage.
